## POOL & GROUNDS UPDATES

This off season was filled with repairs to the bluff deck following some winter storms which caused two large trees to fall directly on the bluff deck, iron fencing and safety fencing. These damages have all been repaired and the bluff deck is ready to enjoy. New pillars have been installed around the baby pool to better secure the shade sail. We hope this will continue to provide comfort to our youngest swimmers and their families. .

Thank you to all our members who came out on our pool workday in mid-April!

THANK  
YOU!

## SAFETY REMINDERS

- There are NO lifeguards on duty at the baby pool! A parent or guardian must be present at the baby pool with their child.
- The baby pool is for children ages 6 years and under.
- Children wearing "floaties" must be within arm's reach of a guardian in the water.
- Floaties are not allowed in the deep end of the pool to include the diving board.
