

MONTE SANO CLUB & POOL

JULY 2023

WWW.MONTESANOCLUB.ORG

This summer has been enjoyable and amazing! Thanks for spending your summer with us at Monte Sano Pool. We appreciate the support and encouragement you have shown to the staff and our neighbors from the Hampton Cove swim team this season. Always fill your heart with laughter and smiles while you are at the pool.

The shade for the baby pool was damaged in a storm, the shade is coming back! Thanks for your understanding while we re-do the sunshade over the baby pool area. We are so excited that 2 sand boxes have been installed for the children to use, 1 by the baby pool and 1 by the volleyball courts, we please ask that your children play in the sand boxes and not play on the volleyball court area. Safety is of the utmost concern. For your convenience we now offer Venmo so you can conveniently pay for food and guests fees. Stay healthy and live your best life every day at Monte Sano Pool!

MAINTENANCE PROJECTS UPDATES

1. Pavillion Fire Pit glass enclosure.

We will be finishing up on the enclosure July barring no major setbacks. Glass barrier will be installed on the sitting ledge using heavy duty specialized and tempered for this type of use. It must be noted that the gas fire pit should only be used by adults and under the supervision of the adult manager at the time of use. There will be a SOP written up in the near future for patrons to read prior to operating.

2. Sun Shade installation

The Sun Shade needed more support than had been previously used so the shade was taken down and the poles removed. Two poles were cut to length and bottom plates mounted and then powder coated to aid in corrosion blocking. New footers were dug and poured with ~1 yard of cement for each footer. After 5-7 days the poles will be re-installed and the Sun Shade will then be put back up and all should be back to a shady, mom happy norm.

Thanks to our pool users for their patients during the upgrades currently on going and in the past.

Please make a note for anytime people are parking at the pool to not block any exit gate or drive!!
