Fall-Winter 2011-12

October 21, 2011

It's been a pleasure serving on the MSC board this year, thanks to a wonderful group of dedicated volunteers. We're looking forward to another great season next year. It's time again for board member nominations, so if you or someone you know is interested in volunteering, please let us know! Hope to see you all at the general membership meeting on Sunday November 13 at 3pm.

Zac Simpson, Board President

A Great Summer Season.....

- 1) **Another great safety record....** Thank you to Manager Brian Hunt and all the staff for a safe summer at the pool. We had no major incidents and excellent water quality.
- 2) **Swim Team Makos Stay in the 'A' league....** Another great season for the Makos. Many personal bests and great coaching. See the letter from Coach Sara Stoddard.
- 3) **Bands on the Bluff ...** Thanks to our social team for all the entertainment. Many enjoyed the big bands and the Friday night acoustics, and the movies.
- 4) **Gorgeous Flowers and Plants ...** Thank you Gena Crook for the beautiful landscape work at the entrance and on the bluff.
- 5) **Longer Hours in the Pool....** We experimented with later hours on Friday and Saturday night and extended hours in September.
- 6) **Tennis, Conditioning Clinics and Art Camps.** Thanks to Shelby Akin, Matthew Shattuck and Rose Petroff there were plenty of activities for the kids.
- 7) **Railings restored:** The deck railings are reinforced and the bluff railing has been repainted.

Big Anniversary next summer:

Next summer is the **50th** anniversary of the pool – get ready to celebrate.

Committee Work:

A committee has formed to develop a 10 year plan for the Club. We'll hear an update at the General Membership meeting on Nov 13th.

Also be on the lookout for revised By Laws – they will be sent by email and voted upon at the Nov 13th meeting.

To: All Monte Sano Members

From: Coach Sara Stoddard

Monte Sano Swim Team had a very successful year. Our Dual Meets were the closest in several years. Our swimmers swam their very best against all the teams in the A League. At City Meet we came in fourth out of seventeen teams. That was fantastic. We scored more points than last year. All of the swimmers' dedication paid off.

A big thanks goes out to the coaches, volunteers, photographer, cooks, workers and the members of Monte Sano Pool for all of their support. With 143 swimmers we need your help to have such a productive season. So, thanks for everything and "Go Makos!"
